Notice of Taking Residence in Open Innovation Base “STATION Ai,”
Which Supports the Creation of New Businesses

While Menicon Co., Ltd. (hereinafter, the “Company”) develops its Vision Care Business with the contact lens-related business at the center, the Company is also focusing on creating new businesses to nurture a business that can be its second pillar. The Company is pleased to announce that it has taken residence at “STATION Ai”, the largest open innovation base in Japan, located in Tsurumai, Nagoya, in February 2025 for the purpose of creating new business possibilities beyond the current research and development fields.
