Sumitomo Mitsui Trust Group, Inc. (Director, President & CEO: Toru Takakura) hereby announces that there has been a difference above the certain percentage in Ordinary Income and Ordinary Profit in its consolidated financial results for the fiscal year ended March 31, 2025 compared to those for the fiscal year ended March 31, 2024, which was announced on May 14, 2024.

1. Difference between the financial results for the fiscal years ended March 31, 2025 and 2024

		(Millions of Yen)			(Yen)
		Ordinary Income	Ordinary Profit	Net Income Attributable to Owners of the Parent	Net Income per Share of Common Stock
(A)	Fiscal Year Ended March 31, 2024	2,475,303	101,327	79,199	109.16

(D)	Rate of Change (%)	18.1	262.9	225.3	229.4

2. Reason for the difference

The increase in ordinary income was mainly due to an increase in interest profit including interest on loans and discounts and interest and dividends on securities.

The increase in ordinary profit was due to the increase in ordinary income, as well as the elimination of losses associated with the reduction and changes in positions of Japanese equity bear type mutual funds in the fiscal year ending March 2024.
