Vision Inc. has started offering optional airport transfer service for visitors to Japan.
The service starts at Haneda Airport, Narita International Airport, and Kansai International Airport, with plans to gradually expand to other airports.

Vision Inc. (Headquarters: Shinjuku-ku, Tokyo; President, Representative Director and COO: Kenji Ota, hereinafter Vision), which operates GLOBAL WiFi Business, Information and Communications Service Business, and Glamping and Tourism Business under the themes of “Connecting people, Connecting the world,” started offering “SmartRyde,” an airport transfer service operated by SmartRyde, Inc. (Headquarters: Minato-ku, Tokyo; Representative Director: Sota Kimura, hereinafter SmartRyde) on January 7, through “NINJA WiFi®,” a Wi-Fi rental service that mainly targets visitors to Japan.

The airport transfer service provided by “NINJA WiFi®” and “SmartRyde” allows foreign tourists visiting Japan who use “NINJA WiFi®” to smoothly arrange transportation during their stay in a safe, secure, and reasonably priced manner. At the same time as applying for “NINJA WiFi®,” you can also apply for

“SmartRyde,” an airport transfer service from the airport to your accommodation and other destinations, through the website.

■ How to use SmartRyde

- This service is available by selecting the option when you make a reservation for “NINJA WiFi®.”
- The supported areas will be displayed according to your airport, so you can select the area where you will be staying. (Supported airports and areas are listed below.)
- A maximum of 4 people can be reserved at one time.
- For more information on this service, please contact us at the contact information provided in the “SmartRyde” email sent upon order confirmation.
- On the day of use, we will meet you at the airport arrival gate, take you to the “NINJA WiFi®” pickup counter, and then transfer you to a car to take you to your accommodation.
