**Vision Inc. received a “B score” in the CDP 2024 “Climate Change” survey.**

Vision Inc. (Headquarters: Shinjuku-ku, Tokyo; President, Representative Director and COO: Kenji Ota, hereinafter the Company) received a “B score” in the environmental information disclosure system by CDP. The evaluation was raised by one level from last year’s “B- score” to a “B score” for 2024.

In this survey, compared to 2023, the following were evaluated: 1) Enhanced information disclosure: Improvement in the quality and quantity of information disclosure, including provision of detailed data on greenhouse gas emissions and clarification of risk management strategies; 2) Improved internal processes: Improvement in internal processes, including identification and management of environmental risks and enhancement of governance structure; 3) Strengthened communication with stakeholders: Effective communication of environmental strategies and initiatives through dialogue with investors, business partners, employees, and other stakeholders.

■ **About CDP**

Launched in 2000, CDP is a British charity-controlled Non-governmental Organization (NGO) that runs the global disclosure system to help investors, corporations, nations, regions, and cities manage their own environmental impacts.

The Company has set forth “Vision for the future, created with the diverse societies as a member of the planet” as its Symbiotic Growth (Vision’s Slogan), and is promoting “Environmental Conservation: Efforts towards creating a decarbonized society and to protect the environment” as one of its Materiality (Fundamental Initiative).
