(Amendment) Notice regarding Partial Amendment to "Notice regarding Expression of Opinion in favor of the Tender Offer for the Share Certificates, Etc. of the Company by Kamgras 1 K.K. and Recommendation to Tender Share Certificates, Etc."

Kakaku.com, Inc. (the "Company") hereby announces as follows that there are matters to be amended with regard to portions of its press release published on May 12, 2026 and titled "Notice regarding Expression of Opinion in favor of the Tender Offer for the Share Certificates, Etc. of the Company by Kamgras 1 K.K. and Recommendation to Tender Share Certificates, Etc." (including the matters corrected or amended by the "(Amendment) Notice regarding Partial Amendment to 'Notice regarding Expression of Opinion in favor of the Tender Offer for the Share Certificates, Etc. of the Company by Kamgras 1 K.K. and Recommendation to Tender Share Certificates, Etc.'" published on July 2, 2026, the "(Amendment) Notice regarding Partial Amendment to 'Notice regarding Expression of Opinion in favor of the Tender Offer for the Share Certificates, Etc. of the Company by Kamgras 1 K.K. and Recommendation to Tender Share Certificates, Etc.'" published on July 3, 2026, the "(Amendment) Notice regarding Partial Amendment to 'Notice regarding Expression of Opinion in favor of the Tender Offer for the Share Certificates, Etc. of the Company by Kamgras 1 K.K. and Recommendation to Tender Share Certificates, Etc.'" published on July 8, 2026, the "(Amendment) Notice regarding Partial Amendment to 'Notice regarding Expression of Opinion in favor of the Tender Offer for the Share Certificates, Etc. of the Company by Kamgras 1 K.K. and Recommendation to Tender Share Certificates, Etc.'" published on July 17, 2026, the "(Amendment) Notice regarding Partial Amendment to 'Notice regarding Expression of Opinion in favor of the Tender Offer for the Share Certificates, Etc. of the Company by Kamgras 1 K.K. and Recommendation to Tender Share Certificates, Etc.'" published on August 3, 2026, the "(Amendment) Notice regarding Partial Amendment to 'Notice regarding Expression of Opinion in favor of the Tender Offer for the Share Certificates, Etc. of the Company by Kamgras 1 K.K. and Recommendation to Tender Share Certificates, Etc.'" published on August 14, 2026, the "(Amendment) Notice regarding Partial Amendment to 'Notice regarding Expression of Opinion in favor of the Tender Offer for the Share Certificates, Etc. of the Company by Kamgras 1 K.K. and Recommendation to Tender Share Certificates, Etc.'" published on August 28, 2026, the "(Amendment) Notice regarding Partial Amendment to 'Notice regarding Expression of Opinion in favor of the Tender Offer for the Share Certificates, Etc. of the Company by Kamgras 1 K.K. and Recommendation to Tender Share

As stated in the November 12 Press Release, on November 11, 2026, Kamgras 1 K.K. (the "Offeror") changed the tender offer price (the "Tender Offer Price") in the tender offer by the Offeror for the Company's common stock and share acquisition rights (the "Tender Offer") to 3,700 yen per share.

In addition, because the Tender Offer and the tender offer for the Company's common stock and share acquisition rights by BCPE Blitz Cayman, L.P., a limited partnership formed by the investment funds advised by Bain Capital Private Equity, LP and their group ("Bain Capital") and in which LY Corporation (together with Bain Capital, collectively, the "Proposer") is expected to make an indirect investment (such tender offer, the "Tender Offer (Proposer)") are in a competing relationship and in light of the fact that the Tender Offer Price was changed to 3,700 yen, on November 11, 2026, the Company sent a letter to the Proposer to confirm, among other matters, whether the Proposer would increase the tender offer price in the Proposer's proposal for the Tender Offer (Proposer) as of November 11, 2026 (i.e., the Tender Offer Price (Proposer) of 3,700 yen per share (or 3,720 yen per share if BCPE Blitz Cayman, L.P. is able to enter into a non-tender agreement with KDDI Corporation)) in order to consider which transaction would more greatly contribute to the enhancement of the Company's corporate value and the common interests of its shareholders. As of today, the Company has been informed by the Proposer that they have been continuing to consider such increase.

Subsequently, the Offeror decided to change the Tender Offer Price to 3,701 yen per share and the Share Buyback Price (as defined in the press release published by the Company on May 12, 2026 and titled "Notice regarding Expression of Opinion in favor of the Tender Offer for the Share Certificates, Etc. of the Company by Kamgras 1 K.K. and Recommendation to Tender Share Certificates, Etc.") to 3,009 yen per share, and on November 26, 2026, filed an Amendment to Tender Offer Statement filed on May 13, 2026 (including the matters amended by the Amendment to Tender Offer Statement dated May 19, 2026, May 27, 2026, June 4, 2026, June 17, 2026, July 2, 2026, July 7, 2026, July 17, 2026, July 31, 2026, August 13, 2026, August 27, 2026, September 10, 2026, September 29, 2026, October 14, 2026, October 28, 2026, and November 11, 2026) and, in connection therewith, decided to extend the Tender Offer Period to December 10, 2026, which is the day falling 10 business days from November 26, 2026, the date of filing of the Amendment to Tender Offer Statement, for a total of 144 business days.

From the perspective of maintaining and enhancing the Company's corporate value and ensuring the interests of its general shareholders, the Company believes that it is not desirable for a situation

in which the tender offer period of the Tender Offer is repeatedly extended while the Tender Offer (Proposer) has not yet commenced to continue for a prolonged period of time. Based on this view and in light of the Proposer's response to the above letter, because the Tender Offer and the Tender Offer (Proposer) are in a competing relationship, the Company's board of directors and the special committee of the Company, which was established to consider transactions related to taking the Company's shares private (the "Special Committee"), will continue to engage in good-faith discussions and other communications with the Offeror and the Proposer and, taking into account current circumstances, appropriately consider, among other matters, which transaction would more greatly contribute to the enhancement of the Company's corporate value and the common interests of its shareholders and whether there is a possibility that a tender offer will be successfully completed.

Please note that, as of today, there have been no changes to the content of the report of the Special Committee, nor has there been any change to the Company's opinion dated July 2, 2026, which is in favor of the Tender Offer, and leaves the decision on whether to tender shares in the Tender Offer to the discretion of each shareholder, and leaves the decision on whether to tender share acquisition rights in the Tender Offer to the discretion of each holder of the share acquisition rights of the Company.

If any matters requiring disclosure arise in the future, the Company will promptly disclose such matters.

The amended portions are underlined.

(I) Overview of the Tender Offer

Thereafter, the Offeror sincerely considered the matter based on the October 27 Request for Discussions and, as a result, on November 11, 2026, decided to change the Tender Offer Price from 3,683 yen to 3,700 yen. Accordingly, the Offeror filed an Amendment to the Tender Offer Statement and, in connection therewith, pursuant to applicable laws and regulations, decided to extend the Tender Offer Period to November 26, 2026, which is the day falling 10 business days from November 11, 2026, the date of filing of such amendment, resulting in a total of 134 business days (the change to the Tender Offer Price and the extension of the Tender Offer Period are collectively referred to as the "November 11 Changes to Terms").

(Omitted)

The Offeror plans that following the Squeeze-out Procedures, the Company will acquire all

Non-Tendered Shares ("Share Buyback"; the price per share for the acquisition of treasury shares in the Share Buyback, on a basis prior to the Share Consolidation, is referred to as the "Share Buyback Price"). The Share Buyback may be implemented following the Share Consolidation and before the securities report submission exemption is approved, but it will be after Company Shares are delisted, and since the delisted shares do not fall under "Listed Share Certificates, Etc." (Article 24-6, Paragraph 1 of Financial Instruments and Exchange Act (hereinafter "FIEA"); Article 4-3 of the Order for Enforcement of the Financial Instruments and Exchange Act) subject to a tender offer for own shares (the tender offer set forth in Article 27-22-2 of FIEA; hereinafter the same), the Offeror will not implement a tender offer for own shares. Taking into account the fact that the provisions for non-inclusion of deemed dividends in taxable income will apply, the Share Buyback Price will be set at 3,008 yen per Company Share prior to the Share Consolidation so that the amount of post-tax proceeds obtained in the case where the Non-Tendering Shareholders sell their shares in the Share Buyback will be substantially equivalent to the post-tax proceeds that the Non-Tendering Shareholders would obtain were they to tender their shares in the Tender Offer. The Share Buyback was proposed by EQT to the Non-Tendering Shareholders aiming to maximize the Tender Offer Price while giving consideration to fairness among shareholders.

Further, DG will reinvest some of the proceeds from the Share Buyback in the Offeror Parent Company or another wholly owning parent company of the Offeror designated by the Offeror and acquire common shares of such company (the "Reinvestment"). In the Reinvestment, the valuation of Company Shares, which will be the basis for deciding the consideration per common share of the Offeror Parent Company or another wholly owning parent company of the Offeror designated by the Offeror, will be 3,700 yen (however, reasonable adjustments will be made in accordance with the ratio of consolidation for Company Shares in the Share Consolidation to be executed as part of the Squeeze-out Procedures and other changes, etc. in the total number of issued and outstanding shares of the Company), which is the same price as the Tender Offer Price, so that there will be no conflict with the principle of the uniformity of tender offer price (Article 27-2, Paragraph 3 of FIEA), and as a result of such transaction, DG is expected to hold approximately 20% (planned) of the ownership percentage of voting rights of the Offeror Parent Company or another wholly owning parent company of the Offeror designated by the Offeror (Note 10).

Accordingly, the Offeror filed an Amendment to the Tender Offer Statement and, in connection therewith, pursuant to applicable laws and regulations, decided to extend the Tender Offer Period to November 26, 2026, which is the day falling 10 business days from November 11, 2026, the date of filing of such amendment, resulting in a total of 134 business days (the change to the Tender Offer Price and the extension of the Tender Offer Period are collectively referred to as the "November 11 Changes to Terms").

Thereafter, the Offeror comprehensively considered factors such as the market price of the Company Shares following the November 11 Changes to Terms, the status of tenders in the Tender Offer by the shareholders of the Company and the Share Acquisition Rights Holders, and the outlook for future tenders, and, with a view to making the opportunity to sell their shares currently being offered to the shareholders of the Company more favorable and enhancing the likelihood of the successful completion of the Tender Offer, decided to change the Tender Offer Price from 3,700 yen to 3,701 yen. Following the November 26 Changes to Terms, since the Tender Offer Price exceeds the Tender Offer Price (Proposer) as of November 26, 2026, and the Tender Offer Price (Proposer) as of the same date continues to be below the KDDI Price Threshold (3,776 yen following the November 26 Changes to Terms), as long as the Tender Offer continues and the Tender Offer Price (Proposer) is not changed, (i) the conditions precedent to the commencement of the Tender Offer (Proposer) are not expected to be satisfied and (ii) there will be no possibility that the Conditional Tender Offer Price (Proposer) will be realized. In light of the foregoing, the Offeror believes that the Tender Offer provides the most attractive opportunity for the shareholders of the Company to sell their shares.
