News Release

April 1, 2026

Launch of Investor Content (Fact Book & Movies)

Kirin Holdings Company, Limited, has launched new investor content as part of its efforts to strengthen information disclosure for domestic and international investors and sell-side analysts. In addition to the updated version of the already published Investor's Guide, Kirin has released **"Fact Book"** that presents quantitative information on each business and **"Investor Movies"** introducing the strengths of the Kirin Group's businesses and organizational capabilities.

In particular, the new content provides more detailed information on the **Health Science business, including market environments and the Kirin Group's competitive advantages.** Kirin plans to further expand and enrich its disclosures going forward.

The content is being released sequentially on our IR website (Discover Kirin's Value（Investor's Guide・Fact Book・Movie） | IR Library | KIRIN - Kirin Holdings Company, Limited). Please visit the website for more details.

Fact Book: https://www.kirinholdings.com/en/investors/files/pdf/factbook_2026.pdf

Fact Book organizes quantitative information to aid investment decisions, primarily focused on each market environment, growth potential, and performance.

Investor Movies: Discover Kirin's Value - YouTube

Kirin introduces the strengths of each business as well as the Kirin Group's organizational capabilities. Going forward, we will continue to release new content on topics of strong interest to investors.

[Movies released on April 1]

1） FANCL's Strength (Skincare × Supplement)

2） Blackmores A Healthy History

3） The History of Kirin's R&D
