ALCONIX Group releases "Integrated Report 2026"

ALCONIX CORPORATION (Chiyoda-ku, Tokyo; Hiroshi Teshirogi, Representative Director, President and Chief Executive Officer; hereinafter "ALCONIX") published its "Integrated Report 2026" (https://www.alconix.com/en/ir/library/report/).
At the same time, ALCONIX is streaming an excerpted video of the CEO message featured in the "Integrated Report 2026" on the ALCONIX Group Official YouTube channel.
In light of the recent spread of generative AI, ALCONIX also releases an online version, whose English edition will be available in mid-December. This version is designed to be easy to use for information searches, summaries, and other tasks performed with generative AI.

■Highlights of the "Integrated Report 2026"
① The report is built around answers to the "Five Questions" most frequently asked by our stakeholders

Following the "Integrated Report 2025," this report is edited around the five questions below in order to address the interests and questions of our stakeholders. One year has passed since the announcement of the "Long-Term Management Plan 2030." Based on its progress and the results we have seen so far, the CEO, CSO, and CFO (※1) each explain, from their own perspective, the growth strategies and specific value creation initiatives aimed at achieving our targets.

【The Five Questions】

- **What progress has been made on Long-Term Management Plan 2030?**
- **How are you advancing the trading and manufacturing functions to improve earning power?**
- **What advances have been made in "management that is conscious of cost of capital and stock price"(※2)?**
- **Are you taking steps to maximize and utilize intangible assets?**
- **How do you ensure Group governance is highly effective?**

(※1) CEO: Chief Executive Officer , CSO: Chief Strategy Officer , CFO: Chief Financial Officer
(※2) Action to Implement Management that is Conscious of Cost of Capital and Stock Price

② CEO message video released

From the message by Hiroshi Teshirogi, Representative Director, President and CEO, which appears in the "Integrated Report 2026," we have selected the content we most want to convey. We have published an interview-style video of excerpts from the interview session on the official ALCONIX YouTube channel. Please watch the video to hear Mr. Teshirogi's own thoughts on the strengths of the ALCONIX Group and on the Group Vision, "Connecting people, connecting things, connecting technology", which is aimed at further increasing corporate value.

【About ALCONIX Group】

Purpose《The reason for the Group's existence》
"Shaping a better future for someone, somewhere"

"Vision《What the Group aspires to be》
Connecting people, connecting things, connecting technology"

The ALCONIX Group's corporate slogan is " Drawing the Future of Our Dreams" The Group is a "comprehensive solutions provider" that offers, in one stop, the nonferrous metals essential to manufacturing, such as aluminum, copper, and rare earths. It is organized into a Trading segment, which handles wholesale and distribution functions, and a Manufacturing segment, which handles processing and manufacturing functions. Through business development with an eye toward the next generation, the Group aims to create sustainable business models for Japan's manufacturing industry and to improve its competitiveness.
