Notice Regarding the Recording of Non-operating Income (Subsidy Income)

Dynamic Map Platform Co., Ltd. hereby announces that the Company has recorded non-operating income (subsidy income) as follows.

1. Details of Non-operating Income (Subsidy Income)

   Our company has been selected as a subsidy recipient for the “Development and Demonstration of Technologies to Improve the Productivity of Airport Operations,” a theme within the field of “Development and Demonstration of Technologies to Create Transportation Infrastructure that Contributes to Enhancing International Competitiveness,” a project under the Small/Startup Business Innovation Research by the Ministry of Land, Infrastructure, Transport and Tourism. As of November 17, 2026, following the approval of an advance payment for expenses incurred up to August 31, 2026, an amount of JPY 21 million was recognized as subsidy income and recorded as non-operating income.

2. Impact on Business Performance

   The impact of the above non-operating income (subsidy income) on our business performance has already been incorporated into the consolidated financial forecast for the fiscal year ending March 2027 that has been previously announced, and there is no revision to the earnings forecast.
