Notice on the Acquisition of Shares in SAGLAdvisors Co., Ltd. to Make It a Wholly Owned Subsidiary

Global Link Management Inc. ("the Company") hereby announces that its Board of Directors resolved at an extraordinary meeting held on June 15, 2026 to acquire additional shares in SAGLAdvisors Co., Ltd. ("SAGL"), its equity method affiliate, to make it a wholly owned subsidiary.

1. Reasons for the Acquisition of Shares

   SAGL is an asset management company. It was established through joint investment by the Company and Star Asia Group ("SAG"), an independent investment management group, in 2020. SAGL's purpose is expand its business and stabilize its revenue base by participating in the real estate fund business. The Company has been involved in business operations as an affiliated company that holds 49% of SAGL's shares. During this process, the Company has accumulated a solid track record of operations, a personnel network, and business know-how.

   Currently, the Global Link Management Group is committed to sustainable profit growth and corporate value enhancement to realize its GLM1000 policy ("GLM1000") under its philosophy of "Creating value for the future through investment." Under its ongoing 2025 Medium-Term Management Plan GLM100 ("GLM100"), the Company is building a business model that starts with investor needs. At the same time, it is expanding its business domains based on its development business with the land planning and revitalization businesses serving as growth drivers. In addition, the Company began transforming its business model to realize GLM1000 from this fiscal year. It has positioned the establishment of the asset management business as an important management strategy from the perspective of diversifying its revenue opportunities and stabilizing its revenue base. As such, the Company is promoting a shift to a stable and sustainable business model that is less susceptible to fluctuations in the economy and interest rates. The Company is also working to expand its business by building business foundations less constrained by balance sheet limitations. Together with this, it is building a structure to be able to flexibly and continuously respond to investor needs that it could not fully meet until now.

   In light of this situation, the Company has determined that acquiring all the shares in SAGL held by SAG and making it a wholly owned subsidiary will contribute to strengthening the Group's medium-to-long term revenue base. Accordingly, after discussions with SAG, it has decided to acquire these shares.

   Going forward, the Company will promote the transformation of its business model to steadily achieve GLM100 and realize GLM1000. Through these efforts, it will work to achieve the sustainable growth of each business and strengthen its revenue base, and thus enhance its corporate value.
