## (Update on Disclosed Matter) Notice of Crypto Asset Management Results

Remixpoint, inc. (the “Company”), as stated in the “Notice Concerning the Commencement of Bitcoin Management via Lending Services in Partnership with SBI Digital Finance” dated February 20, 2026, has been managing its Bitcoin holdings through the said service. In addition, the Company has also been conducting altcoin staking, and hereby announces the combined management performance to date.

### 1. Bitcoin lending performance (February 24, 2026 – May 31, 2026)

| Period                        | Lending principal* <sup>1</sup>  | Lending fees for the period |                            |
|-------------------------------|----------------------------------|-----------------------------|----------------------------|
|                               |                                  | Quantity                    | Value in yen* <sup>2</sup> |
| Feb. 24, 2026 – Feb. 28, 2026 | 1,411.29831101 BTC* <sup>3</sup> | 0.41622766 BTC              | 4,196,197 yen              |
| Mar. 1, 2026 – Mar. 31, 2026  | 1,411.71453866 BTC               | 2.33156133 BTC              | 24,683,540 yen             |
| Apr. 1, 2026 – Apr. 30, 2026  | 1,414.04610000 BTC* <sup>3</sup> | 2.33541209 BTC              | 27,905,371 yen             |
| May 1, 2026 – May 31, 2026    | 1,416.38151208 BTC               | 2.39895030 BTC              | 28,078,516 yen             |
| Total                         |                                  | 7.48215138 BTC              | 84,863,624 yen             |

\*<sup>1</sup> Figures represent the lending principal at the beginning of each period. Note that an additional 80.01503094 BTC has been lent since May 18, 2026, and the lending fees for the month include the fees generated from this additional amount.

\*<sup>2</sup> Yen values represent amounts converted based on the average exchange rate for each month.

\*<sup>3</sup> In the “Notice Concerning Performance of Bitcoin Lending Transactions and Bitcoin Holdings as of April 30, 2026” dated May 8, 2026, the lending principal for the respective periods was stated as 1,411.29831100 BTC and 1,414.04609999 BTC. However, following a subsequent review of the figures, these have been corrected to the accurate values from this announcement onward.

### 2. Altcoin staking status (July 16, 2025 – May 31, 2026)

| Crypto asset | Staking principal   | Staking rewards |
|--------------|---------------------|-----------------|
| ETH          | 901.44672542 ETH    | 9,623,931 yen   |
| SOL          | 13,920.07255868 SOL | 17,064,914 yen  |
| Total        |                     | 26,688,845 yen  |

\* Figures for staking principal represent the staked quantity as of May 31, 2026. In addition, all staking rewards have been received in yen.
