Notice Concerning Investment in an Anime Production Committee

gumi Inc. (the "Company") hereby announces that it has decided to invest in the production committee for an anime work.

This matter is an initiative that embodies the growth strategy of the "Neo-Media Entertainment Business" promoted by the Company, and, through proactive participation in high-quality IP, the Company will continue to work to strengthen its business foundation in the neo-media entertainment field.

1. Background and Purpose of This Matter

As stated in the "Fiscal Year 2026 (May 2025-April 2026) Q4 & Full Year Financial Briefing" and "Notice Concerning Changes to Reportable Segments" announced on June 12, 2026, the Company reorganized its business segments into the "Neo-Media Entertainment Business" and the "Neo-Crypto Business," with a view to building a new economic sphere through coordination with the SBI Group.

In the Neo-Media Entertainment Business, the principal policy is to broadly cover the entire entertainment value chain, namely (1) IP acquisition, (2) game development, and (3) peripheral entertainment. This matter is an initiative that serves as a forerunner of the above-mentioned (1) IP acquisition strategy.

2. Overview of This Matter

The Company will invest as a member of the production committee for this anime work. Leading companies in their respective fields, including a major video streaming platform, a publisher, and a production company, are participating in this production committee.

Through participation in the production committee, while contributing to the creation and development of the IP, the Company will secure revenue as a rights holder and aim to generate multifaceted revenue with a view to future game adaptation and peripheral entertainment development.

Please note that details such as the participating companies and the title of the anime work are not being disclosed at this time and will be announced separately at an appropriate time in the future.
