Selected as an SX Brand 2026 by the Ministry of Economy, Trade and Industry and the Tokyo Stock Exchange.

TOKYO OHKA KOGYO CO., LTD. (Headquarters: Kawasaki, Japan/ President: Noriaki Taneichi, hereinafter the "Company") has been selected as an SX Brand 2026.

The Ministry of Economy, Trade and Industry (METI) and the Tokyo Stock Exchange (TSE) select and recognize as "SX Brands" a group of progressive companies that enhance their ability to generate growth capital in a sustainable manner through SX (Sustainability Transformation) with the aim of improving corporate value.

SX Brands are publicized in the expectation that the advanced initiatives for SX management undertaken by such outstanding companies will be disseminated among a wide range of Japanese companies and that dialogues by the companies and their engagement with investors inside and outside Japan will be further promoted, thereby leading to expanded investment and, ultimately, higher market valuations of Japanese companies in the capital markets.

We will continue striving to sustainably enhance corporate value through collaboration with its stakeholders.
