HENNGE K.K.
(Securities Code:4475, TSE Growth)

Notice Concerning Approval for Change of the Market Segment to Tokyo Stock Exchange Prime Market

HENNGE K.K. (the "Company") announces that the Company received approval from the Tokyo Stock Exchange, Inc. today to change the market segment of the Company's shares from Tokyo Stock Exchange Growth Market to Tokyo Stock Exchange Prime Market. The change will become effective on the delivery date(*) of the issuance of new shares and the secondary offering of shares, as resolved at the meeting of the Board of Directors held today.

(*) The delivery date shall be a day falling in the period from Tuesday, October 20, 2026 to Thursday, October 22, 2026. The delivery date will be the fifth business day following the Pricing Date. For details of the Pricing Date and other matters relating to the issuance of new shares and the secondary offering of shares, please refer to the "Notice Concerning Issuance of New Shares and Secondary Offering of Shares" announced today.

We would like to express our sincere gratitude to our shareholders and all other stakeholders for their continued support.

Our Group operates its business under the corporate philosophy of "Liberation of Technology." We strive to contribute to the development of the world by transforming our unique and cutting-edge technologies into forms that are easier for companies to benefit from, and delivering them as new value. Currently, we support our customers' continuous transformation primarily through HENNGE One, which reduces security risks without compromising the convenience of cloud services for companies seeking to improve operational efficiency through the adoption of cloud services.

We regard this change in the market segment to Tokyo Stock Exchange Prime Market as the first step toward a new stage of growth. Going forward, we will continue to enhance the value we provide through the ongoing development of new features and services and other initiatives, while promoting business expansion both in Japan and overseas, with the aim of enhancing our corporate value over the medium to long term.

We will also further enhance our dialogue with a broader range of investors and pursue highly transparent management and sustainable growth through constructive communication with the capital markets.

We respectfully ask for your continued support.

Please refer to the Japan Exchange Group website (https://www.jpx.co.jp/english/) for details regarding the change in the market segment to Tokyo Stock Exchange Prime Market.

End

Note: This document does not constitute a part of an offer of investment in any securities. This document has been prepared for the purpose of publicly announcing that the Company received approval for the change of the market segment to Tokyo Stock Exchange Prime Market and not for the purpose of soliciting investment or other activities within or outside Japan. Investors, when investing in the shares of our common stock, should carefully review the prospectus for the issuance of new shares and secondary offering of shares, and any amendments thereto (if any) prepared by us prior to making any investment decisions. This document does not constitute soliciting activities to purchase any securities in the United States. The securities referred to in this document have not been, and will not be, registered under the United States Securities Act of 1933, as amended (the "Securities Act"), and may not be offered or sold in the United States absent registration or an exemption from registration under the Securities Act. No securities will be publicly offered or sold in the United States under this transaction.
