Notice Concerning the Recording of Non-operating Expenses (Foreign Exchange Loss)

The Company hereby announces the recording of non-operating expenses (foreign exchange loss) for the first quarter of the consolidated fiscal year ending December 31, 2026 (from January 1, 2026, to March 31, 2026), as outlined below.

1. Details of non-operating expenses (Foreign Exchange Loss)

Due to fluctuations in foreign exchange rates during the first quarter of the consolidated fiscal year ending December 31, 2026, the Company recognized a foreign exchange loss of JPY 18,618 thousand as a non-operating expense.

The above amount mainly arose from the revaluation of foreign currency-denominated assets held by the Company.

2. Impact on business performance

The non-operating expenses (foreign exchange loss) have been reflected in the “Summary of Consolidated Financial Results for the Three Months Ended March 2026 (Based on Japanese GAAP, QUICK TRANSLATION)” announced today. As the amount may fluctuate depending on future foreign exchange trends, no revision to the earnings forecast has been made at this time.
