Notice Concerning Non-operating Expenses and Difference in Non-consolidated Results

TOKYO ROPE MFG. CO., LTD. (the "Company") hereby announces that it has recognized the following non-operating expenses in its non-consolidated financial results for the fiscal year ended March 31, 2026 (April 1, 2025 – March 31, 2026). In addition, the Company announces that differences have arisen between its non-consolidated financial results and the results for the previous fiscal year as described below.

1. Occurrence and Details of Non-operating Expenses

As a result of reviewing the recoverability of increased receivables from TOKO STEEL CORD CO., LTD., a consolidated subsidiary of the Company, the Company recorded 842 million yen as a provision of allowance for doubtful accounts under non-operating expenses.

Please note that this provision of allowance for doubtful accounts is eliminated in the consolidated financial statements and therefore has no impact on consolidated profit or loss.

2. Difference between Non-consolidated Financial Results for the Full Year Ended March 31, 2026 and Results for the Previous Fiscal Year (April 1, 2025 – March 31, 2026)
