Notice of Changes in Reportable Segments

Bengo4.com, Inc. (the “Company”) announces that at a meeting held on September 9, 2026, its Board of Directors passed a resolution to change the Company’s reportable segments starting from the fiscal year ending March 31, 2027.

1. Reason for change

Under its mission, "Be the Professional-Tech Company," the Group operates the Professional Support Business, which involves the operation of Internet media through portal sites such as the legal consultation portal site Bengoshi.com and the tax consultation portal site Zeirishi.com, as well as the provision of services such as the Hanreihisho precedent database and LegalBrain Agent, an AI agent specializing in legal affairs, and the CloudSign Business, which provides the contract management platform CloudSign.

The Company acquired the shares of Japan Legal Network Inc. and its subsidiary ATE Inc. on April 2, 2026, and the shares of MIKATA Small Amount Short Term Insurance Co., Ltd. on April 27, 2026, thereby making each of them a consolidated subsidiary. Through standalone attorney fee insurance and legal fee provision services, these companies operate businesses that reduce the financial burden borne by individuals and business operators facing legal trouble, and the Group will operate these businesses in an integrated manner as its "Legal Finance" domain.

Positioning this domain as a new pillar of the Group’s business, and for the purpose of giving greater clarity to information regarding its business scale and profitability, the Company will newly add the Legal Finance Business as a reportable segment.

2. Overview of the change

MIKATA Small Amount Short Term Insurance Co., Ltd., which has been included in the Professional Support Business, and Bengo4.com Legal Finance Inc., which resulted from the merger of Japan Legal Network Inc. and ATE Inc. on August 1, 2026 with Japan Legal Network Inc. as the surviving company and the subsequent change of its company name, will be classified under the newly established Legal Finance Business.

There is no change to the classification of the Professional Support Business or the CloudSign Business.
