The Opening of “KeePer LABO Otagawa”

KeePer Technical Laboratory Co., Ltd. (Head Office: Obu City, Aichi / Chairman and CEO: Yoshimichi Tani) will open its second store in Tokai City, Aichi, KeePer LABO Otagawa, on Saturday, April 11, 2026.

Store Name	**KeePer LABO Otagawa**	Opening Date	**April 11, 2026**
Location	240 Gohamashinden, Ota-cho, Tokai City, Aichi	Site area	1153.84㎡
Hours of operation	9：00-20：00	Store area	376.25㎡
Management Structure	Directly managed store	Construction site	On the premises of a commercial facility
Store Concept	The Otagawa Store is located about 2 km northwest of the current Tokai Store along Route 247, a major road on the west side of the Chita Peninsula. In addition to existing customers, it is expected to attract new demand from nearby areas such as Chita City and Minami Ward in Nagoya, where there are currently no KeePer LABO stores. Its location within the same site as the newly opened, high-traffic Cainz Tokai Store is also expected to boost early awareness. This will be the 31st store in Aichi Prefecture. The facility features eight coating booths and four washing/finishing bays, all designed for efficient and safe operations from washing to final finishing in one place. Customers can also make good use of their waiting time by shopping at Cainz or visiting Forest Mall Tokai Otagawa, which includes stores such as Starbucks. In addition, alongside the opening of the Otagawa Store, the existing Tokai Store, which has been in operation for 19 years, will undergo a full renovation. This will include upgraded equipment and a significant capacity expansion, increasing the number of coating booths to more than three times the current size, with a renewal opening scheduled for around September 2026.
