YAMASHIN-FILTER CORP.

Continued Inclusion in the FTSE JPX Blossom Japan Index and the FTSE JPX Blossom Japan Sector Relative Index

YAMASHIN-FILTER CORP. (Headquarters: Yokohama-shi, Kanagawa, Representative Director and President: Atsuhiko Yamazaki; hereinafter, the “Company”) hereby announces that it has been selected for the second consecutive year as a constituent of the FTSE JPX Blossom Japan Index^{*1} and for the fourth consecutive year as a constituent of the FTSE JPX Blossom Japan Sector Relative Index^{*2}. Both indices are representative ESG investment indices adopted by Japan’s Government Pension Investment Fund (GPIF).

Under its Medium-Term Management Plan, the Company has established the achievement of a FTSE ESG Score of 4.0 or above by the fiscal year ending March 31, 2028, as one of its non-financial KPIs and is working to further promote ESG management and enhance information disclosure.

In cooperation with its group companies operating globally, the Company also positions sustainability as one of its key management priorities. As a comprehensive filter manufacturer, the Company is working to address social issues through its business activities while enhancing corporate value, with a focus on the themes of Environment, Air quality, and Health.

The Company will continue to further advance ESG management, contribute to the realization of a sustainable society, and enhance corporate value in order to meet the expectations and maintain the trust of its stakeholders.

* The FTSE JPX Blossom Japan Index is created by the global index and data provider FTSE Russell, the FTSE JPX Blossom Japan Index is designed as an industry neutral benchmark that reflects the performance of companies demonstrating specific Environmental, Social and Governance (ESG) practices in Japan.
FTSE Russell evaluations are based on performance in areas such as Corporate Governance, Health & Safety, Anti-Corruption and Climate Change. Businesses included in the FTSE JPX Blossom Japan Index meet a variety of environmental, social and governance criteria.”

* The FTSE JPX Blossom Japan Sector Relative Index is designed as a sector neutral benchmark that reflects the performance of companies demonstrating specific Environmental, Social and Governance (ESG) practices in Japan. The index selects companies with higher ESG Ratings within the top 50% of each sector and supports climate transition to a low carbon economy by evaluating companies’ climate governance and climate change efforts via the Transition Pathway Initiative’s Management Quality Score.
