Located at the Tokyo office (Minato-ku, Tokyo), the newly established Center will strengthen our points of contact with customers, beginning in the the Tokyo metropolitan area. The Business Development Center comprises 14 executives and employees and operates through two departments: the Marketing Department and the Products Sales Department.

To mark the launch of the new organization, an opening ceremony was held.

The opening ceremony was attended by the Chairman, President, and other company executives, who celebrated the establishment of the Center and shared their perspectives on its future roles and visions.
