(Change in Disclosed Matters) Notice Regarding Decision Not to Cancel Treasury Shares

In the “Notice Regarding Share Buyback and Cancellation of Treasury Shares” dated June 11, 2025, i-mobile Co., Ltd. (the “Company”) announced that it had resolved to conduct a share buyback and to cancel treasury shares, and that neither the total number of treasury shares to be cancelled nor the scheduled cancellation date had been determined.

Subsequently, following a further review of its policy on the use of treasury shares and considering the possibility of using the treasury shares for the delivery of shares upon the exercise of each series of share acquisition rights that the Company resolved to issue today, the Company determined that keeping the treasury shares available for flexible capital management would contribute to enhancing its corporate value over the medium to long term. Accordingly, the Company hereby announces that it has decided not to proceed with the planned cancellation of the treasury shares.

For details of each series of share acquisition rights, please refer to the “Notice Regarding Issuance of the Second Series of Share Acquisition Rights with Monetary Consideration through Third-Party Allotment,” the “Notice Regarding Issuance of the Third Series of Performance-Linked Share Acquisition Rights with Monetary Consideration (Share Options with Monetary Consideration),” and the “Notice Regarding Issuance of the Fifth Series of Share Acquisition Rights (Tax-Qualified Share Options),” each dated today.

In addition, with respect to the matters concerning cancellation that were stated as undetermined in the “Notice Regarding Determination of Matters Concerning Share Buyback” dated June 11, 2026, the Company has likewise decided, for the same reasons, not to cancel the treasury shares.
