2. Reasons

Our capital policy is to strike a balance between growth investment, sound finances, and shareholder returns. The shareholder return policy is based on a dividend on equity (DOE) ratio of 3% as a target to ensure stable and continuous returns to shareholders over the medium to long term. We plan to pay a year-end dividend of 32 yen per share for the fiscal year ending March 31, 2026, based on the above policy, taking into consideration our overall performance trends and business environment.
