Effective date	November 26, 2026	—	November 25, 2025
Source of dividends	Retained earnings	—	Retained earnings

2. Reason for the dividend increase

The Company has adopted a basic policy of maintaining stable dividend payments while securing the internal reserves necessary for future business development and strengthening its financial foundation.

In accordance with this policy, and after comprehensively taking into account the Company's business results and financial position, the Company has decided to increase the interim dividend with a record date of September 20, 2026 by ¥50 from the most recent dividend forecast (announced on July 28, 2026) to ¥325 per share.

As announced in the "Notice Regarding Stock Split and Partial Amendment to the Articles of Incorporation" dated today, the Company will conduct a stock split of its common stock at a ratio of five shares for every one share, effective November 21, 2026. This interim dividend with a record date of September 20, 2026 will be paid based on the number of shares before the stock split.

3. Details of the revision of the dividend forecast

	Dividend per share		
	Interim	Year-end	Total
Previous forecast	¥275.00	¥275.00	¥550.00
Revised forecast (converted to a pre-stock split basis)		¥65.00 (¥325.00)	— (¥650.00)
Results for the current fiscal year	¥325.00		
Results for the previous fiscal year (fiscal year ended March 20, 2026)	¥275.00	¥275.00	¥550.00

(Note) The year-end dividend forecast is based on the number of shares after the stock split, and the amounts in parentheses are converted to a pre-stock split basis. For details, please refer to the "Notice Regarding Stock Split and Partial Amendment to the Articles of Incorporation" dated today.
