Notice Regarding the Publication of "Integrated Report 2026"

We are pleased to announce that we have published "Integrated Report 2026," our Group's first integrated report, and made it available on our website.

This report aims to provide shareholders, investors, and other stakeholders with a deeper understanding of our Group's initiatives for medium- to long-term value creation and enhancement of corporate value.

The report presents our history as we celebrate the 70th anniversary of our founding this year, along with the strengths we have developed over the years. It also covers our Fifth Medium-Term Management Plan, growth strategies for each business, research and development and intellectual property initiatives, and the management foundation that supports sustainable growth.

We will continue to deepen stakeholders' understanding of and trust in our Group through enhanced information disclosure and dialogue, while striving to sustainably enhance corporate value.
