Notice Regarding Dividend Payment

Financial Partners Group Co., Ltd. announced that the Board of Directors decided to discuss the proposal of dividends with a record date of September 30, 2026, at the 25th Ordinary General Meeting of Shareholders scheduled to be held on December 22, 2026, as detailed below.

1. Reasons for Dividends

The basic policy concerning shareholders' return is to provide continuous and stable dividends to shareholders while securing the internal reserves necessary for sustainable growth and increased corporate value, and we have set the dividend payout ratio of 50% for the full year as our target.

Under this basic policy, we have decided to pay an ordinary dividend of 54.90 yen per share for the current fiscal year's year-end dividend. In order to provide more opportunities for returning profits to shareholders, we pay dividends from surpluses twice a year (an interim dividend and a final dividend). As we have paid an interim dividend of 46.35 yen, the annual dividend for this fiscal year will be 101.25 yen per share.
