II. Reason for this decision

The SCREEN Group aims to secure the retained earnings necessary for growth investment and for maintaining a sound financial base to respond to future changes in the business environment. Considering these needs and other factors, the SCREEN Group's basic allocation policy targets a consolidated dividend payout ratio of 30% or above.

Based on the above policy, the interim consolidated earnings, and the business forecasts for the full fiscal year

for the fiscal year ending March 31, 2027, the Company has decided to distribute the interim dividends of surplus at the rate of ¥60.00 per share of common stock.

Note: Breakdown of annual dividend

	Cash dividend per share		
Record date	**Interim (2Q-end)**	**Fiscal year-end**	**Total**
