Establishing a Flagship Digital Strategy Hub for Co-creating New Social Value via the Intersection of People, Technologies, and Partners

ICT Divisions of the KONOIKE Group Consolidated at New Office

Future Creation Lounge Established for Promoting Internal/External Interaction and Co-creation

Konoike Transport Co., Ltd. (Head office: Chuo-ku, Osaka; Representative Director, Chairman, President, and Chief Executive Officer: Tadahiko Konoike; hereinafter, “Konoike Transport”) is set to consolidate the offices for its ICT Promotion Division and companies under its jurisdiction (Konoike IT Solutions Co., Ltd. and SHINE Co., Ltd.) on the 13th floor of Museum Tower Kyobashi. Relocation is scheduled for November 21 (Sat) and 22 (Sun), 2026 and the new office is scheduled to open on November 24 (Tue).

The new office will feature the Future Creation Lounge—a place for internal/external interaction and co-creation. The Future Creation Lounge will be a location where the people, technologies, and partners of the KONOIKE Group intersect, and will host recruiting seminars, in-house events, and group-wide study sessions about digitalization/digital transformation, as well as joint co-creation workshops and webinars for clients. The office will also function as a satellite space for the Tokyo Head office of Konoike Transport, and will enable the company to leverage the seismic isolation, emergency power generation, and storage warehouse features of the building and act as a base for sharing information in the event of a disaster.

The KONOIKE Group has adopted the message “People, leveraging technology to reach for new heights” in its 2030 Vision, as it aims to transform concepts on how to approach on-site solutions by combining the latest technologies with craftsmanship cultivated at the front line. This new office will be launched as the base for executing the 2030 Vision, as the KONOIKE Group promotes digital strategies by creating new value via internal/external interaction and co-creation.

The Future Creation Lounge is a co-creation base for linking the digitalization of the KONOIKE Group with sustainable growth. As the Group aims to achieve “People, leveraging technology to reach for new heights” in its 2030 Vision, the Future Creation Lounge will help bring together human ability with digital technologies and assist on-site transformation and the creation of new value. Having a place where new endeavors are created based on the intersection of diverse knowledge from both inside and outside the KONOIKE Group will enable the Group to draw out the potential of its people and organizations and thereby shape its future together with its customers and partners.
