Notice Regarding Investment in SkymatiX, Inc.

Nareru Group Inc. (the "Company") hereby announces, as described below, that it has subscribed to a third-party allotment of new shares by SkymatiX, Inc. (Headquarters: Chuo-ku, Tokyo; Representative Director and President: Zentaro Watanabe; hereinafter "SkymatiX"), and has completed the investment procedures.

Although this matter does not fall under the timely disclosure standards, the Company has decided to disclose it on a voluntary basis because it represents an important initiative relating to the progress of the growth strategy under its Medium-Term Management Plan, "Change and Growth 2030," and may be of value to investors.

1. Purpose of the Investment

The Group has positioned the establishment of a construction DX implementation model that leverages "Human Resources × Technology" as a key strategy in its Medium-Term Management Plan, "Change and Growth 2030."

In September 2025, World Corporation Inc., the Group's core operating company, entered into a strategic business alliance agreement with SkymatiX, and has been promoting an on-site implementation model that combines the spatial data integration platform "Kumiki" with construction DX talent (For details, please refer to "World Corporation Inc. (Nareru Group Inc.) and SkymatiX Inc. Enter into a Strategic Business Alliance to Promote the Adoption of 'Kumiki' Through an Implementation-Oriented DX Human Resource Development and Deployment Model," dated September 25, 2025.).

The purpose of this investment is to further deepen the business alliance in the following areas:

- Expanding opportunities to use the spatial data integration platform "Kumiki"
- Strengthening the link between the cultivation of DX human resources and their assignment to construction sites
- Strengthening the framework for construction DX promotion through collaboration between the two companies

This investment represents one of the initiatives demonstrating specific progress toward the construction DX strategy outlined in its Medium-Term Management Plan, aiming to move forward with the implementation of the Group's "Human Resources × Technology" strategy.
