Notice Regarding the Publication of “Integrated Report 2026” in English and Japanese Business Transformation and Growth Strategy for the Era of AI

MIROKU JYOHO SERVICE CO., LTD. (“MJS”) is pleased to announce that “Integrated Report 2026” has been published in English and Japanese on our corporate website on October 19, 2026.

The report provides a comprehensive account of the MJS Group’s business model, management strategy, performance, and sustainability initiatives from both financial and non-financial perspectives. Key highlights include:

- **President’s Message:** In light of the rapid evolution of generative AI, the President explains our intention to build AI-based operations and business models and to advance business transformation.
- **MJS at a glance:** This newly added page presents an overview of the MJS Group’s business and its growth potential through key indicators.
- **MJS DX Consulting:** A new service positioned as a key direction in our Medium-Term Management Plan Vision 2028, featuring an overview of the service, case studies, and comments from in-house consulting specialists who support clients’ digital transformation.
- **Growth Strategy for the ASEAN Market:** Following the acquisition of Synergix Technologies Pte Ltd. of Singapore as a subsidiary in October 2025, the report outlines our growth strategy for the ASEAN market, where we will expand our business in earnest.

In preparing the report, we referred to the International Integrated Reporting Framework of the IFRS Foundation and the Guidance for Collaborative Value Creation of the Ministry of Economy, Trade and Industry (METI), among others.

Going forward, we will continue to emphasize dialogue with stakeholders and strive to enhance corporate value on a sustainable basis through more comprehensive disclosure.
